LIFELINE

June 2016

(Someone to talk to....who understands)

Greetings to all the members and supporters of the Harvey Floyd Chapter of Us TOO .

Our support group vision is: *"To provide the highest level of leadership, compassion and promotion of an enhanced understanding of prostate cancer while improving the quality of life for survivors, their families and men at risk through proactive programs and positions".*

Cancer National Survivors Day

Cancer National Survivors Day is an annual, **Celebration** of **Life** that is held in hundreds of communities throughout the United States and around the world, on the first Sunday in June. It is a **Celebration** for those who have survived, an **Inspiration** for those recently diagnosed, a gathering of **Support** for families, and an **Outreach** to the community. On National Cancer Survivors Day, thousands gather across the globe to honor cancer survivors and to show the world that life after a cancer diagnosis can be fruitful, rewarding, and even inspiring.

It is a day for everyone, whether you're a cancer survivor, a family member, friend, or medical professional. This day provides an opportunity for all people living with a history of cancer to connect with one another to celebrate milestones. It is also a day to draw attention to the ongoing challenges faced by cancer survivors' quality of life.

Please join us as we celebrate **our local Survivors Day** on June 5th at the Embassy Suites in Greenville from 2 to 4 p.m. And again on June 15th, as we "Drive to Thrive" with the Greenville Drive at Fluor Field. Our Field Street Celebration begins at 5:30 p.m., on the 15th across from Fluor Field.

Remember, we are enjoying a much deserved Summer Break from our Monthly Support Group Meetings which will resume on September 12th.

See you then!
