LIFELINE

June 2018

(Someone to talk to....who understands)

Greetings to all the members and supporters of the Harvey Floyd Chapter of Us TOO .

Our support group vision is: "To provide the highest level of leadership, compassion and promotion of an enhanced understanding of prostate cancer while improving the quality of life for survivors, their families and men at risk through proactive programs and positions".

National Cancer Survivors Day

National Cancer Survivors Day takes place on June 03, 2018. The day is proclaimed an annual celebration of life and though it is called a national day and mainly is celebrated in the United States, today it is observed all over the globe. It is celebrated every first Sunday in June. On National Cancer Survivors Day, all those who survived cancer, as well as family members, friends, and also medical professionals come together to be thankful and celebrate together. The day also aims to be an inspiration for all those recently diagnosed, as it is possible to live an enjoyable life after a cancer diagnosis. National Cancer Survivors Day was first observed on June 5, 1988.

As we take a break from our monthly Support Group Meetings during the summer we encourage everyone to attend our local Survivors' Day Event on June 3rd. The 2018 local event will serve as the grand opening of the Cancer Survivors Park in downtown Greenville. The event will begin at 1:00 pm. and towards the end, about 2:30/3:00pm we will take a group photo to commemorate this awesome day. So, come with your family and friends, bring a chair and enjoy this special day. Email any questions to : info@cancersurvivorspark.org (register to attend by clicking [here](#))
