**LIFELINE**

October 2018

(Someone to talk to....who understands)

Greetings to all the members and supporters of the Harvey Floyd Chapter of Us TOO .

**Our support group vision is:** *“To provide the highest level of leadership, compassion and promotion of an enhanced understanding of prostate cancer while improving the quality of life for survivors, their families and men at risk through proactive programs and positions”.*

## New Innovations in Prostate Cancer Treatment

Today, doctors know more than ever before about prostate cancer, with more effective treatments coming on line. There is more knowledge about risk factors, treatment options and other improvements. Research data tells us that Prostate cancer is becoming less common and less deadly. There are many reasons to be optimistic

Our guest speaker for the October Support Group Meeting will be Dr. Gabriel E Fiscus. MD of GHS Regional Urology. Our Topic is recent innovations in prostate cancer treatments.

For a brief video introduction to Dr. Fiscus, click here <https://www.ghs.org/providers/gabriel-fiscus/>

We are looking forward in seeing you on October 1<sup>st</sup> @ 7:00 p.m.
