## LIFELINE

May 2019

(Someone to talk to....who understands)

Greetings to all the members and supporters of the Harvey Floyd Chapter of Us TOO .

**Our support group vision is:** *“To provide the highest level of leadership, compassion and promotion of an enhanced understanding of prostate cancer while improving the quality of life for survivors, their families and men at risk through proactive programs and positions”.*

### ASK THE DOCTORS

After receiving a diagnosis of prostate cancer, you'll likely have many questions. Asking the right questions are crucial as you work with your treatment team and make your way toward recovery. A diagnosis of prostate cancer can be overwhelming and confusing. As you research your disease you may get some idea on what to ask your doctor to be well informed about your disease and your treatment.

It's important to have honest and open discussions with your doctor. You should feel free to ask any question, no matter how small it might seem. Going to the doctor can be intimidating. You might feel rushed and forget to ask questions that are important. It is always a good idea to know what to ask beforehand. You should take notes while with the doctor and if possible, ask a trusted friend or family member to accompany you. Your urologist should be open and accommodating to all your questions.

Our May Support Group meeting will be Monday, May 6 @ 7:00 p.m. at the Survivors Park Pavilion. Located at 52 Cleveland St, Greenville, Our speakers will be **Dr. Blake Wynia, & Dr. Gabriel Fiscus**, of **PRISMA Regional Urology**. Our Topic will be” *Ask the Doctors*”

**Please come prepared to ask questions. Thank you and we are looking forward to seeing you there.**

<b><u>Upcoming Outreach Events</u></b>	<b><u>Upcoming Meetings</u></b>	We thank the Greenville Us TOO Support Group Prostate for sponsoring our Refreshments												
	<b>SUMMER BREAK June – July -August</b>
