Greetings to all the members and supporters of the Harvey Floyd Chapter of Us TOO .

Getting Ready for ZOOM

Greetings Us TOO Members, Friends and Supporters. We sincerely hope you are being safe as we navigate through the challenges presented by Covid-19. As prostate cancer survivors, we have an increased risk if infected with the Corona Virus. Therefore it goes without saying that we must continue practicing the safety guidelines recommended by the CDC. Beginning in September our Greenville Us TOO Support Group meetings will be held virtually via ZOOM.

For those already familiar with ZOOM and you are using your computer equipped with a web cam simply click the meeting link that will be sent to you. In some cases your computer may need to download the app before it takes you to the meeting. If you will be using a smart phone, or tablet device you may need to download the ZOOM app. To do so simply click this link <https://zoom.us/download> Or copy and paste into your internet browser.

If you do not have a computer or smart device you can join in audio(only) with any touch tone phone by dialing the phone numbers and meeting ID # provided. Our September 14th meeting will be a ZOOM orientation session to assist you in becoming more familiar with using ZOOM. In preparation for our orientation please watch this short YouTube Video on **“Joining a Zoom Call for the First Time”**
