SUPPORT - EDUCATION - ADVOCACY

LIFELINE

September 2020

(Someone to talk to....who understands)

Greetings to all the members and supporters of the Harvey Floyd Chapter of Us TOO .

Our support group vision is: *“To provide the highest level of leadership, compassion and promotion of an enhanced understanding of prostate cancer while improving the quality of life for survivors, their families and men at risk through proactive programs and positions”.*

September is National Prostate Cancer Awareness Month

National Prostate Cancer Awareness Month is observed every September in the United States by health experts and advocates, and individuals concerned with men’s prostate health. Designating a month for the disease serves the purpose of increasing public awareness of the importance of prostate health and screenings, educating about risk factors and symptoms, and advocating for further research on prostate health issues. We sincerely hope you are being safe as we navigate through the challenges presented by Covid-19. Us TOO has created a webpage dedicated to addressing the impact of the pandemic on all affected by prostate cancer. It includes exclusive articles by Dr. Mark Moyad and other resources. It is updated frequently, so please bookmark and visit often, <https://www.ustoo.org/covid> . Our September 14th Support Group meeting will be a virtual ZOOM orientation session to assist in becoming acquainted with ZOOM.

If this will be your first time using ZOOM, please click on and watch this short video.
