(Someone to talk to....who understands)

Our support group vision is: *“To provide the highest level of leadership, compassion and promotion of an enhanced understanding of prostate cancer while improving the quality of life for survivors, their families and men at risk through proactive programs and positions”.*

Meet Our Us TOO Executive Director

Us TOO International is a nonprofit that serves the prostate cancer community by providing educational materials and resources at no charge. Established in 1990, the organization was founded by—and continues to be governed by—people directly affected by prostate cancer. Our guest speaker for our October Support Group Meeting will be **Beau Stubblefield-Tave**. Beau became the Executive Director of Us TOO International in

January, 2020. He is an 11-year prostate cancer survivor. Beau comes to Us TOO from the Center for Culturally Fluent Leadership, LLC which he co-founded in 2012. The Center is a consulting, training, and coaching practice specializing in Diversity, Equity, and Inclusion (DEI) and data-driven leadership development. Beau is a visionary leader with leadership and consulting experience in the non-profit, public, and corporate sectors. Beau has chaired three non-profit boards and served on several others.
