Greetings to all the members and supporters of the Harvey Floyd Chapter of Us TOO .

Support Group Meetings suspended until further notice

Regretfully, due to lack of participation on the virtual format we are suspending our Support Group Meetings until further notice.

This does not mean our support group is going away. We will still be here for Prostate Cancer Survivors and their families. We will continue to distribute our monthly newsletter which will include links to articles, YouTube videos and webinars of interest to survivors and caregivers. Also, we will be accessible by phone to answer your questions as well as being available to present Prostate Cancer education, virtually. To contact us visit <https://ustoopstatesc.org/>
