

Education and Support Group Harvey Floyd Chapter, Greenville, SC

September 2021

Greetings to all the members and supporters of the Harvey Floyd Chapter of Us TOO .

Our support group vision is: *“To provide the highest level of leadership, compassion and promotion of an enhanced understanding of prostate cancer while improving the quality of life for survivors, their families and men at risk through proactive programs and positions”.*

September is Prostate Cancer Awareness Month

National Prostate Cancer Awareness month is observed every September in North America by health experts, health advocates, and individuals concerned with men’s prostate health and prostate cancer. This year, more than 174,600 men will be diagnosed with prostate cancer, and more than 31,600 will die from the disease. Most prostate cancer is diagnosed in men older than 65.

Our Support Group Meetings are suspended until further notice. .

We continue to monitor the effects of Covid-19 in our community. Our plan is to return to our in-person meetings as soon as it is safe to do so.

Although we are still unable to meet in person, we will continue to keep our Support Group Educated and Informed. We will continue to share with you articles and videos of interest for you to watch or read at your convenience
