Our Support Group are suspended until further notice

Our tentative plans were to attempt to resume chapter meetings in January, 2022. Unfortunately, this COVID-19 omicron variant has really taken hold in our country – so much so it feels like a year ago. We continue to monitor the effects of COVID-19 in our community.

Reminder - Us TOO and ZERO Merger

Last year, Us TOO and ZERO – The End to Prostate Cancer, merged into one organization under the ZERO name. The “Hot SHEET” will no longer be published effective January 1st, 2022. It will be replaced by the “ZERO Hour monthly e-newsletter”. This is an electronic edition – no hard copies will be available. Finally, the Us TOO International web site will likewise cease effective January 1st, 2022 and is replaced by the “ZERO” website.
