

# Education and Support Group Harvey Floyd Chapter, Greenville, SC

**March, 2022**

**Greetings to all the members and supporters of the Us TOO Harvey Floyd Chapter.**

*“Our Support Group’s vision is to provide the highest of leadership, compassion and promotion of an enhanced understanding of prostate cancer while improving the quality of life for survivors, their families and men at risk through proactive programs and positions”.*

## **Your Leadership Team!**

These are your three co-leaders; Steve Schindler, John Pendergrass and Bob Cardone.

**Steve Schindler**

**John Pendergrass**

**Bob Cardone**

## **Our Support Group are suspended until further notice**

Currently your Executive Committee is evaluating re-starting our meetings with perhaps a meeting in May. Much of this is dependent on being able to find a reasonably accessible location that will allow us to meet. No such location has been available to date but we see signs of some re-opening. We continue to make sure we do not put any of you in a dangerous situation for your health.

## **Reminder - Us TOO and ZERO Merger**

Last year, Us TOO and ZERO – The End to Prostate Cancer, merged into one organization under the ZERO name. The “Hot SHEET” has been replaced by the “ZERO Hour monthly e-newsletter”. And, the Us TOO International web site has been replaced by the “ZERO” website. For more information on Us TOO or prostate cancer, click on the following:
